

Our 30 Second Commercial

We've built our agency from the ground up through referrals. Our main goal is to live up to the expectations of the person who sent us the referral. As a loan officer if you send us a referral you can expect:

1. Prompt Service . . . We can get you a quote in as little as 20 minutes.
2. Evidence of Insurance **in your hands same day**, sometimes within an hour, **because you are not waiting on us to inspect the property.**
(We have a third party inspect **after** we write the binder.)
3. Someone who can write insurance to the value that will cover the lenders requirements (**no fighting with an unsympathetic insurance agent over the value of the property**).
4. Someone who will handle your customer with all the consideration and care that you do.
5. We cover the **states of Tennessee, Georgia, and Alabama.**

We make it our business **to help you close more loans** by meeting your customer's needs in the timeline that you require. So if you want to use an insurance agency that understands what DTI and LTV are and the difference between FHA and Fannie Mae we would love to work with you.

When it comes to Mortgage Loans:
We get it and we get it done!!!
